Caring IS OUR PRIVILEGE.

A letter from the Administrator

Dear Residents, Families and Friends,
Happy March everyone! With spring around the corner, we all start to look forward to some warmer weather and the opportunity to get outside. Please be mindful with the nicer weather residents may be walking in the parking lot, so please watch your speed.

Thankfully we are getting out of the cold and flu season! Our entire team did an excellent job not only taking care of those who were ill, but also being proactive to prevent others from suffering the effects of the flu. A great big thank you to all departments for really going the extra mile the last couple weeks!

You will be getting an invitation for our Spring Buffet and I look forward to seeing you all there! This is an amazing event when our culinary team gets to showcase their talents. If you have any special requests please feel free to reach out to myself or Denise Siuda, Culinary Director.
Sincerely,

Colleen Roy, Administrator

Resident of the Month-Theresa Halter

Originally from South Buffalo, Terry is the proud mother of three. She holds a Master's degree in Elementary Education from the University of Buffalo and is an avid artist. She loves painting and drawing. She also loves to travel and has been to Europe and took a train across the USA, Quebec and Montreal. She is kind to everyone she meets. Thank you Terry for all you do for everybody!

Resident of the Month-Edmund Mende

Ed was chosen Resident of the month because of the kindness and appreciation he shares with everyone. Originally from Gowanda, he is the father of 6, a grand father and great grandfather. He served in the Korean War and was in charge of computers at Bethlehem Steel for many years. Ed enjoys the exercise class here and chatting with everyone. He thinks Orchard Heights is beautiful and that he receives great care from all the staff. Congratulations Ed!

Co-Worker of the Month-Molly Yokom

Molly was chosen this month due to her positive attitude and ability to improve any situation. She lives in E. Aurora with her husband. In her spare time, she enjoys singing, playing the piano and guitar, writing and recording music. Hopefully she will perform for us here someday. She loves the residents and the upbeat atmosphere of Orchard Heights!

JUST A FEW NOTES FROM JIM- RESIDENT COUNCIL PRESIDENT

Will March come in like a lion and go out like a lamb or the very opposite? Sometimes, the wayward wind can be a restless wind and create havoc rather than be a calm and peaceful breeze which everyone wants to enjoy but is so often lacking.” What the world needs now is love, sweet love. That’s the only thing that there’s just too little of.” These simple words of a song remind us of all the need for mercy, justice, forgiveness and love during this season of Lent which began on Feb. 14th. The word Lent comes from an Old English word meaning ”Springtime”. It is a season of new beginnings, a time of buds and new life. It is a season that reminds us that no matter what our age, we can grow and change. March 17th invites us to honor Saint Patrick on his feast day when everyone is Irish for the day and to honor Saint Joseph on the 19th. Enjoy this time of renewal and fresh starts as all nature brings forth new life on March 20th, the first day of Spring. Have a blessed Palm Sunday on the 25th and Good Friday on March 30. Rejoice in March!

Orchard Heights hosts Dementia Therapy Specialists

It was our pleasure to host this month’s Dementia Support Partners meeting. Our own Paula Hammond RN spoke on the Dementia Basics and Lee Watson highlighted some of Orchard Heights dementia programming. Thank you Kathleen Nightingale for organizing this great event. If you would like information on attending next month’s meeting, please let us know.

Happy Birthday to everyone born in March
