## Car Show 2017

Even though, the skies opened up briefly before our show this year, our fabulous family and friends enabled the show to still go on! Our line up included: a 1969 Dodge Coronet RT, a 1967 Oldsmobile Delta 88, a 1955 Ford Crown Victoria, a 1974 Triumph TR6, a 2006 Ford Mustang and a 2009 Mini Cooper. The 1955 Ford Crown Victoria took Best in Show! Rumor has it, some first dates took place in this type of vehicle. Randy Ruminski kept everything upbeat with the sounds of the 50's and 60's throughout the evening. Our great culinary department made sure that everyone had their fill of char broiled hotdogs and pop. All proceeds from the evening went to benefit the Alzheimer's Association of Western New York. It was a fun night of great families, great cars and plenty of hotdogs!

## A letter from the Administrator

Dear Residents, Families and Friends,

Happy September everyone! It is amazing that summer is almost over and we are getting ready for the fall weather. Although it is sad to see the nice weather leave we have some exciting events planned that I am looking forward to.

Please keep your eyes open for an invitation for our “Grand Re-Opening” celebration that will be in early October. Invitations will be mailed with an RSVP date. I look forward to seeing everyone and showing off all the hard work that has been done.

What comes along with the fall weather... Flu season. Orchard Heights will be hosting a flu shot clinic on Friday September 15<sup>th</sup> from 9am – 12pm. Please keep your eyes open for flyer giving additional information. As always, if you ever have questions or concerns please feel free to call me or send an email anytime ([croy@hamistergroup.com](mailto:croy@hamistergroup.com))

Sincerely,

Colleen Roy, Administrator

## Resident of the Month-Joanne Roward

Joanne Roward has been with us a little shy of a year. She is a great lady who is happiest helping other people. Whenever, there is a special event she appears just to lend a hand. She loves people and people love her! Joanne has a great way of brightening anyone’s day. No doubt her patients loved her too as an RN. Wife of Jim, together they have three children and 5 grandsons. Her favorite thing to do is to spend time with family! Thanks Joanne for all you do for everyone!

## Co-worker of the Month-Ryan Moulton

We have been lucky to have had Ryan with us for the past five years in our Culinary Department. He is one of those people who can jump into any role on any given day. In one week, he has been prep cook, dishwasher and server and never missed a beat. He is always eager to help anyone out that requests anything of the culinary department. For these reasons, he is our Coworker of the month for August! Congratulations Ryan!

## Tiny Tee Time

No one is exactly sure why Garnet Carter invented the first miniature golf course in the 1920s, but thank goodness he did or we wouldn’t be able to celebrate Mini Golf Day on September 21. Carter owned a hotel outside of Chattanooga, Tennessee, called the Fairytale Inn, which strove to create an atmosphere as magical as its name. Carter’s tiny golf course, complete with hollowed-out tree trunks and gnomes, became an instant hit with visitors. Ask Carter’s wife, Frieda, why he invented the mini golf course, and her reply is that it was to distract and occupy the “golfers’ widows,” the women left behind by husbands taking an entire afternoon off to golf. In this way, Carter’s invention was no different from the Ladies’ Putting Club at St. Andrew’s in Scotland, the precursor to the modern mini golf course.

## JUST A FEW NOTES FROM JIM— RESIDENT COUNCIL PRESIDENT

Just a few notes to remind you of some of the upcoming events to celebrate in September. Labor day constitutes an annual tribute to the contributions workers have made to the strength, prosperity and well being of our nation. Through the years, the country gave increasing emphasis to Labor Day. In 1884 the first Monday in September was selected as the holiday with an observance and celebration to take place promoting the economic and civic significance of the day while honoring all American workers. Other special days during the month include Grandparents Day as Sept. 10, Patriot Day, Sept. 11, Rosh Hashanah begins Sept. 20, Gold star Mother's day on Sept. 24 and Yom Kippur begins on Sept. 29. Everyone is invited to keep coming to all the wonderful activities we are privileged to enjoy here each month. The programs provide a great opportunity to meet new friends and participate in various events. Residents enjoy country rides, an assortment of fun games, musical entertainment and more. Please join us this month for "Fun in the Fall" also known as "Awesome Autumn Activities. Enjoy a spectacular September.
