

## Volunteers

### Why volunteer at Orchard Heights?

- Orchard Heights is a great place to develop and refine your public speaking or performance skills. Our residents love to hear musical recitals, listen to presentations on interesting subjects, and watch dance recitals. You are guaranteed to have an appreciative audience!
- You can get a new perspective on Buffalo History and learn things that you won't find in any history book. Our residents love to give history lessons!
- Colleges love to see community service activities on applications.
- If you are thinking of a career in health care, you can learn about the field from real professionals.
- You will make new friends and have an opportunity to share *your* favorite interests with wonderful people.
- You will brighten the lives of our residents and they will love you for it!
