A letter from the Administrator

Dear Residents, Families and Friends,

Happy August everyone! What a great summer we have had so far. With all this great weather our outdoor space at Orchard Heights has never been used so much! It has been wonderful to see all the residents outside walking on the walking paths, or just enjoying the company of others on the front porch.

I am proud to announce that our Culinary Team was able to walk away from the Network in Aging “Taste of the Network” with the distinguished People’s Choice Award. This event was a culinary competition to include 12 other Assisted Living Facilities in the area. If you see Paul Ziolo, Executive Chef, or Denise Siuda, Culinary Director please give them a big Congratulations!

I look forward to seeing everyone at the upcoming summer picnic... in the meantime, enjoy these beautiful summer days.

Sincerely,
Colleen Roy, Administrator

Resident of the Month-Mavis Burke

Mavis was chosen resident of the month due to her embracing personality. She is a pleasure to be around and has a great sense of humor. Originally from South Buffalo, she is most proud of her 33 year career at the Veteran’s Association. She started as a typist and worked her way up to being an interviewer when the troops came home from the war. In her spare time, she has enjoyed singing in choirs and bowling. She likes Orchard Heights, the friendly people, the food and helpful staff. Congratulations Mavis!

Co-Worker of the Month-Paul Ziolo

Our wonderful Executive Chef Paul Ziolo was voted our Co-Worker of the month. Paul is extremely dedicated to providing our guests with the highest quality culinary experience. He is the creator of the new favorite program “Where in the World is Paul?” Paul lives in Cheektowaga with his fiancé and 3 children. Cooking and food have been a big part of Paul’s entire life and continues to be. When he is not here he is filling orders for his other business Z’s Treats and Chocolates Shoppe. Congratulations Paul!

Resident of the Month-Harris Freyburger

Harris was named Resident of the month for his gentlemanly manner and great sense of humor. Originally from Java Village, he loves the great outdoors. He is the proud father of two. He served in the US Coast Guard for several years and has great stories to tell from those years. His other interests include: travel, bowling, gardening, Rummy, Baseball, and swimming and all kinds of music. For many years, he worked as an Operating engineer. Thank you Harris for making the world a nicer place!

JUST A FEW NOTES FROM JIM- RESIDENT COUNCIL PRESIDENT

...to say that some people may think that summer is half over but being very positive we must see the summer as half yet to come, so bring on those “lazy, crazy days of summer” and for the 31 days of August enjoy being as “corny” as Kansas in August. August is a month full of days to continue celebrating summer such as Aug. 3- National Watermelon Day, Aug. 4-US Coast Guard day, Aug.5-National Friendship day, Aug 19-National Tell a joke day. To get started celebrating some of these events, we can renew friendships with more recently arrived residents. Global Forgiveness Day on Aug. 27 extends to us an opportunity for us to forgive anyone who may have offended us as well as giving a chance for us to say I am sorry if we spoke unkindly. Inclusion is important because we all need to have a feeling of belonging and it is this need for relationships and friendships that enriches our lives. So have a happy and healthy summer. Enjoy all the activities and recreation. Keep smiling and have a wonderful, awesome August!
