Elvis has left the Building

By all accounts this years Hawaiian Family Picnic was a success! The sun came out. We raised almost \$300 for the Alzheimer's Assoc. with our Dunk Tank! The food was plentiful and delicious. Children enjoyed the lawn games and everyone enjoyed Terry Buchwald's Elvis show!

A letter from the Administrator

Dear Resident Families and Friends,

Happy September! It is hard to believe that that the summer is already over. It was nice to see everyone at the family picnic and I think everyone would agree that it was the best yet. Having the space to have so many family and friends was awesome, and who didn't love Elvis?

On September 15th, we will be participating in the Walk to End Alzheimer's at the Outer Harbor in honor of our residents on Harmony Lane. I welcome all families to join our "team" online and make the Orchard Heights team even stronger. Several managers took turns in the dunk tank as part of our latest fundraiser. That alone raised almost \$300.00 for The Alzheimer's Association. Thank you to everyone who has donated so far to such a worthy cause! <https://www.alz.org/walk>

hope everyone has a wonderful month,

Colleen Roy, Administrator

JUST A FEW NOTES FROM JIM- RESIDENT COUNCIL PRESIDENT

...with some thoughts on Labor Day, September 3, 2018, the annual tribute to the contributions workers have made to the strength, prosperity and well being of our country. Through the years, the nation gave increasing emphasis to Labor day. In 1884, the first Monday in September was selected as the holiday with an observance and celebration to take place promoting the economic and civic significance of the day while honoring all American workers. It is appropriate therefore, that the whole nation pays tribute to those men and women for creating so much of the country's strength, freedom and leadership. Other special days during the month include: Sunday Sept. 10-Grandparents day and Rosh Hashanah which begins at sundown , Tuesday September 11, Patriots Day on Sept. 18, Yom Kippur on Sept 21 and Sept. 21-the first day of fall. Everyone is invited to keep coming to all the wonderful activities we are privileged to enjoy each month. Please join us this month for "Fun in the Fall" also known as "Awesome Autumn Activities!"
